

LEGAL NAME Emmonak Corporation	ENTITY TYPE Alaska Native Corporation (ANCSA §7(j))	ESTABLISHED 1973 (ANCSA Village Corporation)	HQ 49 Old Airport Way, Emmonak, AK 99581
SAM UEI NQE6F46KTGM6	CAGE CODE 3MKH9	TIN / EIN 92-0045979	D&B / DUNS 010200236

CORE COMPETENCIES

- **Fuel & Energy Operations** — bulk fuel storage, distribution, retail dispensing, EPA-compliant Facility Response Planning, and tank farm management in remote Alaska environments.
- **Logistics & Supply Chain (Western Alaska)** — barge-served fuel, freight, retail, and emergency-supply logistics across the Yukon-Kuskokwim Delta.
- **Retail & Convenience Operations** — Company Store operations, Clover/AMPM POS, ATM placement, inventory controls, and rural-market merchandising.
- **Telecommunications & Broadband** — NTIA grant management, last-mile broadband infrastructure, easement negotiation, and rural-Alaska connectivity.
- **Real Property & Lease Administration** — ANCSA-conveyed land management, commercial leasing, easement and right-of-way negotiation.
- **Subsidiary Operations** — owns Field Calibrations, Inc. (ISO/IEC 17025:2017 accredited calibration laboratory) and Qiiriituli, LLC (tank-farm operating subsidiary).

DIFFERENTIATORS

- **Sole-source ANC eligibility** — federal agencies may award sole-source contracts to Emmonak under **13 CFR 124.506(b)** for actions exceeding the small business threshold, dramatically compressing acquisition timelines.
- **Unlimited 8(a) award ceiling** — as an ANC-owned firm, no per-contract ceiling under 8(a) sole-source authority (versus \$4.5M services / \$7M manufacturing for non-ANC 8(a) firms).
- **Operating subsidiary depth** — Field Calibrations provides ISO/IEC 17025:2017 accredited metrology capability, including DoD/PMEL-aligned technicians.
- **Veteran leadership** — operations led by Jason D. Wagner (US Army Special Forces Logistics Officer; 10 years Army calibration labs).
- **Remote-operations expertise** — proven delivery in barge-served, off-road-system, sub-arctic operating conditions.

PRIMARY NAICS

- **424710** — Petroleum Bulk Stations & Terminals
- **447110** — Gasoline Stations with Convenience Stores
- **484220** — Specialized Freight Trucking, Local
- **517311** — Wired Telecommunications Carriers
- **237130** — Power & Communication Line Construction
- **531190** — Lessors of Other Real Estate Property
- **541330** — Engineering Services (via FCI)
- **541380** — Testing Laboratories (via FCI)
- **811219** — Other Electronic & Precision Equipment Repair (via FCI)

FEDERAL DESIGNATIONS

- **Alaska Native Corporation** (ANCSA §7(j) Village Corporation)
- **Indian-Owned Concern** — 13 CFR 124.3
- **Small Disadvantaged Business** (presumed under 13 CFR 124.103(b))
- **Buy Indian Act** eligible (25 U.S.C. §47)
- **SBA 8(a) sole-source eligible** via 13 CFR 124.506(b) — ANC sole-source authority does not require 8(a) admission; 8(a) admission pursued.
- **HUBZone** review pending (Emmonak, AK is a Qualified Alaska Native Village)

QUALITY & COMPLIANCE

- Subsidiary ISO/IEC 17025:2017 accreditation (IAS CL-112) — Field Calibrations, Inc.
- EPA Facility Response Plan (FRP) — Tank Farm
- PCI DSS SAQ compliance — merchant operations
- ITAR-aware controls available via subsidiary operations

FEDERAL ADVANTAGE — Sole-source authority under 13 CFR 124.506(b) lets your agency move from requirement to award without competitive procurement, while still meeting set-aside, socioeconomic, and small-business goals.
